

Recreation Authority of Roseville and Eastpointe Summer Day Camp Discipline Policy

MUST BE SIGNED BY CHILD BEFORE REGISTRATION CAN BE ACCEPTED

Staff members will do all they can to control discipline problems. If the staff member feels that he/she needs assistance of the supervisor in handling specific situations, the issues should be referred to the Camp Director with a brief explanation of the issue.

As soon as a child's behavior or attitude disrupts the group or the function of the Summer Day Camp program, disciplinary steps need to be instituted. Staff members are trained to encourage communication with campers or conflict resolution and encourage cooperation among participants.

Child management is handled with care and respect, focusing on prevention and using methods, which promote positive self-esteem for the participant. Staff will set and discuss with participants the rules for camp. These rules will be appropriate, have realistic limits and be consistently enforced with all campers. Rules will be clearly displayed at the camp site and will be provided to parents prior to the start of camp.

Below, we have outlined the disciplinary steps that will be taken when rules are not adhered to.

1. First Step: Verbal Warning
2. Second Step: Removal from specific activity for a stated period of time
3. Third Step: Loss of entire activity and note sent home
 - Three discipline notes constitutes a meeting with the child's parent/guardian to discuss the problem. This meeting may result in suspension/dismissal for the camp program.

We have read and understand the disciplinary steps that will be utilized during the Roseville Parks and Recreation Summer Day Camp program.
